

Datasheet

Stock No: 125-4432**RS Pro Interlocked Socket 2P+E IP44 32A 200-250V**

RS Pro surface mount interlock sockets feature a hard plastic housing and a socket cover. This range features a mechanical interlock that prevents the switch from closing when the plug is not inserted and prevents the extraction of the plug if the switch is closed. They are designed for industrial use, but are also suitable for commercial environments.

Specifications:

Rated current:	32A
Poles:	2P+E
Rated voltage:	200 - 250V
Working Frequency:	50Hz
Working Frequency:	60Hz
Colour:	Blue
Protection degree:	IP44
Dimensions:	136 x 125 x 132mm
