RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

*RS PRO Maintenance pillow is a high capacity absorbent product designed to capture leaks and to quickly recover larger amounts of liquids. Ideal for placement under drips or leaks. The outer skin is made of spunbond which allows the fluids to flow into its core. The maintenance pillows are suitable for most industrial fluids, including oils and fuels. Finished in discreet grey.*
