DESCRIPTION

WOODEN TOP FOR WORKBENCHES

Beech plywood worktop with a thickness of 40 mm for your professional workbench.

With its generous 2000 x 750 x 40 dimensions, this worktop offers a work surface for maximum productivity and increased comfort.

Its great compatibility guarantees optimum utilisation with your existing workbench units. Made with superior quality materials, this worktop is not only rugged and durable, but will also add an aesthetic touch to your work space.
