

CEH 50 Headset For DECT And Mobile Telephone

Specification:

Product Code: 2059165
 Monoaural or Binaural: Monoaural
 Noise Cancelling Technology: Yes
 Amplifier: No
 Brand: Connected Essentials
 For use with: Dect Telephones

Contents:

CEH 50 Headset
 Installation guide and user manual

Application:

High quality sound with noise cancelling microphone.
 Acoustic shock protection (ASP) which reduces the risk of hearing damage caused by exposure to high pitched tones.
 Radiation reduction technology (RRT) reduces the radiation emission from mobile and DECT telephones reaching the user.

The CEH50 is designed to be lightweight and comfortable and incorporates an adjustable headband to fit different head sizes and shapes along with a soft leatherette ear cushion to ensure maximum comfort.

Simple controls include an in-volume control allowing easy adjustment of the earpiece column and a useful mute button to ensure privacy whilst holding a call on the line.
