## RS PRO D Sub Adapter Male 9 Way D-Sub to Male 9 Way D-Sub

RS Stock No.: 218-239

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

RS PRO range of D sub adapters created to use with D sub connectors. D-sub connector accessories like these gender changer adapters add or change the functionality of the D-sub connector to improve its durability. These electrical adapters allows two male or two female connectors to be connected to each other.
