- **Straight plug and socket:** Simplifies installation and connection

RS PRO 1m Power Cable, IEC C13M to NEMA 5-15

RS Stock No: 558-948

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO power cable is designed for reliable power connectivity between devices and power sources. With a length of 1 metre, it is ideal for use in environments where space is limited, providing a secure connection for equipment requiring a 125 V power supply. The cable is suitable for applications requiring a 15 A current rating, ensuring compatibility with a wide range of electrical devices.

General Specifications

Connector Type A	IEC C13M
Connector Type B	NEMA 5-15
Jacket Colour	Black
Mains Socket Type	Straight
Product Type	Power Cable

Mechanical Specifications

Cable Length	1 m
Jacket Material	Polyvinyl Chloride

Electrical Specifications

Current Rating	15 A
Mains Plug Type	Straight
Voltage	125 V

Approvals

Standards/Approvals	CCCs, CSA, EAC, ENEC 11, ICC, JET, PSE, RCM N10544, UL
