RS PRO Dock Bumper, L Shape, 450 mm x 450 mm x 100 mm

RS Stock No: 688-197

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Dock Bumper is designed to protect loading docks and vehicles from damage during loading and unloading operations. Made from durable Tyrecord Hi-Fibre material, it provides reliable impact resistance and longevity. Its L shape offers enhanced protection for corners and edges, making it ideal for high-traffic industrial environments.
