RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Coiled Earth Leads are made from conductive wire and coated with non-conductive PU. Each coiled cord contains 10 strands and can be used to maintain a strong connection with any kind of wrist strap. Made from high-quality materials, the durable cord designed to return to its original length after use. Available with a choice of stud or banana termination.
