

FEATURES

- **2:1 Shrink Ratio:** Provides a secure fit over irregular shapes and sizes, ensuring effective insulation.
- **Polyolefin Material:** Offers excellent resistance to chemicals and abrasion, extending the lifespan of the application.
- **Halogen-Free:** Reduces the release of toxic gases in the event of a fire, enhancing safety.
- **REACH and RoHS Compliant:** Meets stringent environmental and safety standards, ensuring compliance with regulations.
- **Available in Green and Yellow:** Provides options for colour coding and identification.

RS PRO 2:1 Heat Shrink Tubing, Polyolefin Material

RS Stock No: 671-562

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO offers a versatile heat shrink tubing solution designed for electrical insulation and protection. This tubing is ideal for bundling wires, providing strain relief, and protecting against abrasion. With a 2:1 shrink ratio, it ensures a snug fit over components, enhancing durability and reliability.

General Specifications

Colour	Green, Yellow
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	1.6 mm
Sleeve Diameter	3.2 mm
Sleeve Length	1 m

Approvals

Standards/Approvals	REACH, RoHS
