

Features

- Adaptable non-slip liner to protect both tools and shelves or workbenches
- Keep worktop items in place without the need for stands or clamps
- Fit inside drawers to reduce tools moving around
- Use on vehicle dashboards to prevent movement in transit
- Cuts easily, so you can fit to any space
- Very light - doesn't add extra weight to benches or toolboxes
- Wear resistant and machine washable providing a long lifespan

RS PRO PVC Foam Slip Resistant Bench Mat, 0.45 x 2.85m Black

RS Stock No.: 0625755

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO PVC Foam Slip Resistant Bench Mat

The RS PRO PVC Foam Slip Resistant Bench Mat is a robust and versatile anti-slip liner, engineered to provide superior grip and cushioned protection for all your workspace and storage needs. Manufactured from durable PVC foam, this bench mat offers a hardwearing, textured surface designed to keep your tools, components, and valuables securely in place—eliminating the risk of unwanted movement and preventing potential damage.

Features & Benefits

- *Ideal for a range of applications, the bench mat can be used to line work benches, drawers, shelves, and trays.*
- *The textured, slip-resistant surface ensures excellent grip, keeping items stationary even in busy or dynamic environments.*
- *The soft yet durable PVC foam cushions items placed on it, effectively absorbing shocks and minimizing the risk of scratches, dents, or other damage to your valuables and work surfaces.*
- *Easy to cut and trim, this bench mat can be tailored to fit any space.*
- *Designed to be extremely light, the RS PRO bench mat will not add unnecessary weight to your toolboxes, benches, or mobile storage, making it an excellent choice for users who value portability and convenience.*
- *Resistant to wear and tear, the mat is machine washable for hassle-free cleaning. Its durable construction ensures a long lifespan, even with regular use in demanding environments.*

Applications

- *Lining workbenches for tool stability and protection*
- *Placing inside drawers or trays to prevent movement of contents*
- *Lining shelves to keep items in place and guard against surface scratches*
- *Protecting fragile equipment or components in transit or storage*

Why RS PRO? RS PRO is renowned for delivering high-quality, reliable, and cost-effective solutions designed to meet the demands of both professionals and DIY enthusiasts. Trust in RS PRO for performance, durability, and excellent value.
