DESCRIPTION

FOAM MODULE 1/3 OF 11 DYNA 14X18 METRIC FORK BITS

Foam module with 11 torque wrench bits (DFC-...) ideal for all industrial applications. The eleven 14x18 torque wrench bits with metric forks guarantee precise tightening conform to the specifications required in various industrial applications. Covering a complete range of sizes, these torque wrench bits are suitable for a variety of tightening jobs, offering great adaptability. Made with high-quality materials, our torque wrench bits are designed to withstand intensive use. The torque wrench bits are designed for comfortable handling, reducing fatigue when working for long periods of time. The bits are stored in a made-to-measure foam tray.
