RS PRO Red & White Retractable Bollard, Post

RS Stock No.: 898-7191

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These great value, versatile posts from RS come in an easy to use, self-assembly kit which is easy to transport to the required location and can be assembled there. The base is supplied empty and when filled with 2.5 litres of water provides a sturdy base weight. The post is assembled using the individual coloured post sections and topped with a ring which can be used to support a chain. Additionally, the post can support an information sign.
