RS Pro Shroud Kit For Use With Terminal Blocks

RS Stock No: **464-9801**

Product Details

RS Pro shroud kit features a panel mount base, 3-way terminal and covering shroud. The base has two moulded lugs on the underside that snap fit into mounted holes of 5.2 mm diameter. A screw cable clamp is provided for cable input and "V" grips are integral to hold wires into and out of the actual terminal. The whole assembly snap fits together and is of self extinguishing polyamide 6 material. The covers may be fitted side by side so that any number of consecutive way blocks can be completely shrouded. It is suitable for use with terminal blocks.

Features and Benefits

- 3-Way terminal shroud kit
- Has two moulded lugs
- Self extinguishing polyamide 6 material
- Fits side by side
- Suitable for use with terminal blocks

Specifications:

Accessory Type	Shroud Kit
For Use With	Terminal Block
