Technical sheet

PRUD600FGALNJ

Double-sided protection – Ø60 – 600 × 600 × H 600 mm – galvanized.

Modular protection bracket in two parts, suitable for safeguarding urban furniture or warehouse installations (posts, columns, bollards, parking layouts, trees…). Offers an effective barrier against vehicle-induced impacts or collisions. Manufactured in galvanised steel for enhanced strength. Available in single-side (1 side) or double-side (2 sides) protection. Versions offered for base-plate fixing or embedment. Simple and rapid installation.

Customs code	7326909800
EAN	3321360106186

Color : Black/Yellow

Material : Galvanized steel

Specifications :

- Designed to protect posts – two-sided.
- High visibility thanks to yellow colour.
- Features 8 fixing holes.
- Not for use in saline or hydrocarbon-rich environments; please consult us for suitability.

Length (mm)	Height (mm)	Net weight (kg)
600 in 2 sides	600	9,50
