

NINJA[®] MAXIM

NIMAXIMC5

Cut 5 (C)

Lightweight cut-resistant gloves that offer superior tactility, dexterity, and flexibility.

FEATURES

- High performance engineered liners made from high tensile yarns for outstanding cut resistant quality
- The most lightweight liner and coating for maximum comfort and cut resistance
- Reinforcement between thumb and forefinger greatly extends the life of the glove
- Treated with an anti-microbial agent that reduces odour and helps keep your hands fresh

PROPRIETARY TECHNOLOGY

NFT™ - Unmatched Comfort and Durability

The NFT™ is a unique proprietary technology offering the most technologically advanced, lightweight, breathable, comfortable and durable gloves that feel like a second skin. Rigorously engineered to give outstanding grip, abrasion resistance and dexterity for precision handling in oily, greasy and dry environments. It is one of Ninja®'s next-generation technologies.
