X-LOCK CARBIDE MULTI WHEEL

Make your angle grinder a universal tool.

Adjustment work in wood

Wood with nails

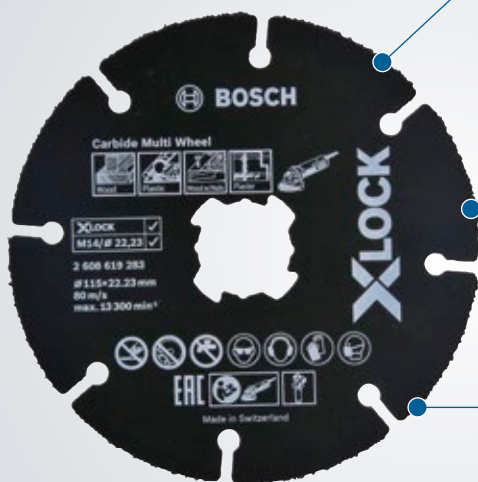

Plastics, e.g. cable ducts or plastic tubes

Fibre cement such as Trespa®

Changing the Carbide Multi Wheel is fast and convenient thanks to the keyless X-LOCK system. X-LOCK Carbide Multi Wheel also fits on standard angle grinders.

MULTIPLE APPLICATIONS

Thanks to tungsten carbide grit with selected quality and size, it allows cutting on various materials including wood, wood with nails, plastic, plaster, copper pipe etc.

DURABLE AND SAFE APPLICATION

Due to the high bonding strength between steel body and tungsten carbide grits by the laser melting process

UNIQUE CUTTING SPEED

Thin body design and expansion slot ensure an unique cutting speed, avoid blade deformation
