

## Features

- **Heavy-Duty Steel Construction** – Built from 22-gauge steel with a yellow powder-coated finish, offering superior durability in demanding environments.
- **Dual Functionality** – Can be wall-mounted or used as a portable cabinet with an integrated stainless-steel handle.
- **Secure Storage** – Provision for a padlock ensures only authorised personnel can access safety documents.
- **Environmental Protection** – Shields critical MSDS/SDS documents from dust, water, chemicals, and workplace contaminants.
- **Audit-Ready** – Keeps essential documents easily accessible during inspections and emergencies, minimising regulatory risks.
- **Visibility & Safety** – Promotes compliance and a safety-first culture in facilities managing hazardous materials.

## RS PRO MSDS / SDS Storage Cabinet

RS Stock No.: 0694404

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

- *MSDS / SDS Cabinet offers a secure and accessible storage solution for Material Safety Data Sheets (MSDS), Safety Data Sheets (SDS), and other Right-To-Know documentation.*
- *Constructed from 22-gauge heavy-duty steel, it withstands industrial wear and tear, ensuring long-term protection.*
- *Powder-coated yellow finish resists rust, moisture, and chemical exposure, ideal for use in chemical plants, manufacturing units, and maintenance areas.*
- *Portable or wall-mounted design with rear mounting holes (hardware included) and a stainless-steel handle for ease of transport.*
- *Features a padlock able latch to prevent unauthorized access to sensitive safety documents.*
- *Protects contents from dust, water, grease, and other contaminants, preserving legibility and compliance.*
- *Enhances emergency preparedness by ensuring that safety documents are instantly available.*
- *Supports regulatory compliance and reduces operational downtime during audits or incidents.*

## General Specifications

<b>Type</b>	MSDS/SDS Cabinet
<b>Material</b>	Steel with Powder Coated Finish
<b>Colour</b>	Yellow
<b>Package</b>	BOPP + Box

## Mechanical Specifications

<b>Dimensions</b>	305mm X 345mm X 76mm
<b>Height</b>	305mm
<b>Width</b>	345mm
<b>Depth</b>	76mm
<b>Weight</b>	3.5 Kgs

## Operation Environment Specifications

<b>Withstand temperature</b>	-40°C to 120°C
