

Rekeyable Brass 83/50

Art. no. 53927

Page 1 of 1

Technology

- Standard shackle made from hardened alloy steel
- Can be keyed into many popular security keyways
- Double bolted
- On request lock can be converted from key-retaining to non-key-retaining and vice versa within seconds

Operation and use

- To secure valuables/goods of greater value or at a high risk of theft
- To secure gratings, doors, gates, cupboards, tool boxes, cellar windows, sheds, switchboards, barriers, etc.

Variants

- 83CS/55: Shackle guard protects against tool attacks

High security - keyed alike with the front door
