## RS PRO Steel M6 x 1 Clevis, 31mm x 12mm

RS Stock No.: 312-0242

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

When you need a strong connection in a compact package, these clevis fasteners from the RS PRO range will do the trick. They're designed with spring clips that secure the pins to the body of the clevis joint for a firmer hold than normal retaining pins.
