## Pulse counters, electromechanical

Standard counters
4 digits with reset (AC+DC)
Bk14

The standard totalizers Bk14 (with manual reset) boast a robust construction despite their small size.

They are ideal for use in harsh industrial environments.

## Characteristics

- 4 -digit totalizer with manual reset.

## Benefits

- Very long service life (200 million pulses).

## Applications

General quantity counting, time, charge and performance metering.

Options

- key locking reset special key (order code"vs", e.g. Bk14.11 vs)
- housing color black
. higher counting speed
. also with flying leads
