Product Description

These bags are a 90L 10kg medium duty refuse sack, with dimensions of: 380mm x 737mm x 965mm, they have 200 pcs/ carton (4 folds x 50 pcs).

Made from 40% recycled material these bags are plastic packaging tax compliant and can also be recycled themselves after use.

Clear or natural recycling sacks are typically used for the capture of dry mixed recycling. They are ideal for this usage as they allow for any unwanted items within the recycling to be easily identified, this will help prevent contamination during the recycling process.
