

Datasheet

RS Pro Panel Kit, 96mm x 96mm,

RS Stock No: **871-8311**

Product Details

RS Pro panel kit measuring 96 x 96 mm, acts as a cradle and firmly holds the DIN Rail meter securely in place. It works in comparison with the 3-phase power meter.

Features and Benefits

- Acts as a cradle to hold the DIN Rail meter in place
- Clips on either side for secure installation
- Separate front plate allows terminal screws to be easily accessible at the front of meter without the need for removal from the panel kit
- Cycle through all parameter options while meter is secured due to touch screen buttons on the meter
