Software Licence Agreement**

Agreement between Shire Systems Ltd (Licensor) and the party entered on the attached reply card (Licensee).

On behalf of my organisation I agree to the following terms and conditions.

This agreement gives my organisation the non-exclusive and non-transferable right to use the FrontLine Purchase Order software for an unlimited period. Ownership of the software copyright and all other intellectual property rights shall remain with Shire Systems Limited.

I shall not make or transmit copies of the software or allow others to make or transmit copies of the software except to allow the use of one copy of the software at any one time in any one CPU or network within my organisation.

When using the system I shall make regular security backup copies of the data files as recommended in the Users Manual in order to minimise the consequences of data loss or corruption.

The Licensor shall not be liable for any loss or damage that may arise in connection with my organisation's use of the software. In no event shall my organisation be entitled to monetary damages against the Licensor in excess of the amount paid for the software.

For the avoidance of doubt, the Licensee hereby confirms and accepts that **RS Components Limited** is not a party to this agreement and that any claim arising out of the purchase of the software shall be made against the Licensor.
