# IT 5302.124 - Mounting angles additional fastening attachment for VX IT 482.6 mm (19") mounting angles, standard

Additional fastening attachment for mounting angles for VX IT to counteract unevenly distributed loads.

## Features

|                               |                                                                                                                                                                                                             |
|-------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Model No.                     | IT 5302.124                                                                                                                                                                                                 |
| Product description           | Prevents the mounting angles from twisting in case of unevenly distributed loads. Secured directly between the mounting angle and a mounting section on the outer mounting level of the VX frame structure. |
| Benefits                      | Can also be used as individual fastening with 482.6 mm (19") partial installation                                                                                                                           |
| Applications                  | For fixing the 482.6 mm (19") mounting angle, standard, onto the outer mounting level                                                                                                                       |
| Material                      | Sheet steel                                                                                                                                                                                                 |
| Surface finish                | Spray-finished                                                                                                                                                                                              |
| Colour                        | RAL 9005                                                                                                                                                                                                    |
| Supply includes               | Assembly parts                                                                                                                                                                                              |
| To fit                        | Width: = 800 mm                                                                                                                                                                                             |
