

<b>Notification</b>	
<b>Product Code</b>	NLHDMI-SVGACAB-USB
<b>Short Description</b>	VGA+USB Audio to HDMI converter
<b>Full Description</b>	The NEWlink VGA to HDMI converter can convert the analogue signal coming from your PC into a digital HDMI signal. This allows you to plug your older laptop or desktop computer into a modern HD television. You can not only enjoy a high definition image but also audio from the attached USB cable. Power and Audio is provided from the USB cable; simply plug this into your computer. No external power adapter is needed.
