Foldable tripod with DANGER sign-white class 2

Foldable high-visibility tripod for temporary construction or work site signage. In a single motion: ready to install, one-handed instant opening, it unfolds automatically. Made of galvanized steel and PVC-coated PP fabric, class 2. Easy storage thanks to its umbrella-type spring system: simply fold the legs together, and the tripod closes. Compact, easy to use and transport with its bag, and extremely stable.
