Expression Home XP-225

3-in-1 | 26 ppm Print | 1200 dpi Scan | Copy

WiFi
The Expression Home XP-225 is part of Epson's smallest ever range of small-in-one home inkjets. It offers cost-effective printing for home users with inks that can be replaced individually. This compact printer, scanner and copier also features the added benefits of Wi-Fi connectivity and mobile printing from anywhere[1].

Efficient & affordable
Epson's Claria Home Ink is ideal for affordable and reliable printing, producing crisp, clear text documents and glossy, lab-quality photos. With individual ink cartridges you only have to replace the colour used, saving you money.

Easy set-up
The automatic Wi-Fi set-up[2] makes configuring laptops and computers to print and scan wirelessly extremely easy. You don't need to know your network settings, as the XP-225 automatically finds the relevant connection settings to configure itself.
Mobile printing
The XP-225 comes with Epson Connect[1] which consists of Epson iPrint[1]– for easy wireless printing from smartphones and tablets; Epson Creative Print[1] – print photos directly from Facebook and Epson Email print[1] – print from anywhere in the world by emailing photos and documents directly to the printer.

Simple to maintain
Claria Home Ink cartridges are available in standard and XL sizes. Identifying the right ink cartridge for your printer couldn't be simpler – just look out for the Daisy image.
