

# Compact ratchet for bits 1/4" R.PEPB

## R.PEPB : compact ratchet for bits + 100mm extension

**Ultra compact** : Ultra compact head. Ideal in dense mechanical environment.

**Ergonomic Handle** : comfort

Facom Exclusive Design

High mechanical performances

Market target: **Industrial repair** :

- Small sizes of Torx & hex bits:
  - Lab. Equipment
  - Major appliance maintenance
  - CNC machines
- All torx & hex bits dimensions
  - Robotic fabrication lines (arms, balancers...)
  - Assembly lines

# R.PEJ31PB : 31 piece set with compact ratchet for bits

**Ultra compact set** : easy to carry in the pocket or tool box.  
Easy to store

**Practical:** Immediate tool selection: pictograms of screw head patterns. Easy tool pick-up

**Tough:** Metal hinge rod. Plastic case resistant to workshop chemicals
