RS PRO Hermetic Enclosure

RS Stock No.: (0360025)

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Hermetic enclosure design to install IOT devices in diverse and adverse conditions. It is supplied with cable glands and plugs. Mounting plate, screws and spacers allows installation of SBC's and IOT devices. The enclosure is manufactured with polyurethane gascet. Lid manufactured with recess for mambrane keypads and overlays. Threaded brass inserts ensures reliable assembly of the enclosure.
