- Push-fit the threaded bush into the square box section

RS PRO Threaded Bush, 30mm Width, Nylon, Nickel Plated Brass Insert, M8, For 1.5mm Wall Thickness Tube

RS Stock No.: 0285711

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Threaded bushes are designed to be used with aluminium or steel square box section tubing. These tough glass reinforced nylon inserts allow convenient and secure fitment of levelling mounts to various types of equipment. The bush is pressed into the square tubing and remains secure via the compression of the moulding within the tubing.

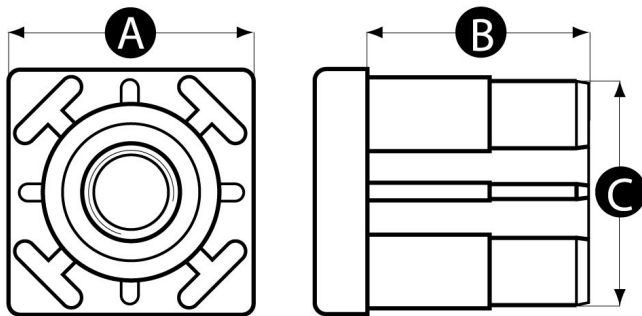

These tube inserts are suitable for use on catering equipment, spa & hot tubs, conveyor lines and much more
