

## Contemporary

The clean lines of the Contemporary post make it an ideal solution for modern spaces.

Tensator has been making classic Post & Rope designs for over 130 years, providing stylish & versatile solutions to queue management by discreetly & politely guiding & informing customers. Tensator Post & Rope products are available in a wide range of finishes & materials to complement & enhance public areas in countries all over the world.

## Features

- Standard finishes include Polished Brass Effect, Satin Brass Effect, Polished Chrome and Satin Chrome. Other finishes are available on request
- Universal base as standard. Other base options are available on request
- Removable cap for signage
- Forged universal 4 way loop

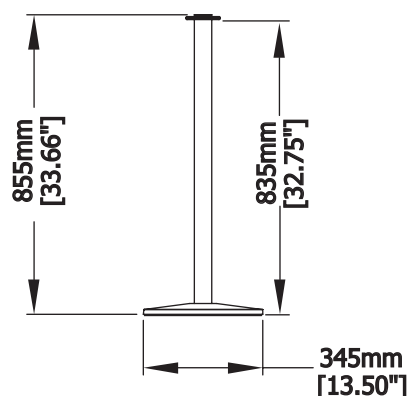

## Benefits

- Discreetly guide & inform your customers & employees
- Easily achieve the optimum queue layout for your floor space
- Reduces customer stress by removing ambiguity as to where the customer should queue and by providing separation between individuals and queue lines
