

Polycarbonate safe graffiti remover wipes

MYSOLV Graffiti Remover Wipes (MYS 6000GRW)

FEATURES/BENEFITS:

Effective	Removes inks, paints, crayon, graffiti
Multi Surface Compatible	For use on non-porous surfaces such as metals, glass, plastics
Polycarbonate Safe	Does not cause 'misting' or 'fogging' of clear plastics such as bus shelters
No Residue	Fully water rinseable
Convenient	Optimum amount of cleaner on each wipe, ideal for use out in the field or around properties

USE:

Wipe non-porous surfaces thoroughly with the Graffiti Remover Wipe. If necessary wipe surface dry with a dry cloth or wash with detergent solution. Replace the tub lid when not in use to prevent wipes drying out.

Wipe Dimensions: 250mm x 300mm

APPLICATIONS:

For removing graffiti, inks & paints from non-porous surfaces like shutters, bus shelters, advertising hoardings, washroom surfaces and rolling stock. Polycarbonate safe.
