

## Features

- Designed for surface mount applications and fine assembly work
- Available in different geometry shapes, materials and with different coatings
- Typical applications in the electronics industry, watchmakers, jewelers, crafts, laboratory and medical device manufacturing

## RS PRO Tweezers

RS Stock No.: 1369820

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

*Type 7314 heavy duty tweezers are suitable to applications which require holding and handling a big component firmly. The line serration provides the tips and the handles with extra grip, also preventing any possible slips.*
