The promotions set out in this announcement are subject to the following terms and conditions:

For gift with purchase or promotional product bundles:

1. Fluke will deliver the promo item(s) along with the Fluke product(s) eligible for the promotion bundled together. Distributor should not unbundle the package(s) it receives from Fluke and should deliver them as bundles in original unopened packaging to the end customer within the territory eligible for the relevant promotion.
2. Distributor is not allowed to sell to end customers outside that territory.
3. Distributor should identify the promo item(s) along with the Fluke product(s) eligible for the promotion on its order acknowledgment, packing slip and invoice.
4. On request, Distributor should allow Fluke reasonable access to its books and records and should provide other reasonable co-operation to allow Fluke to audit Distributor's compliance with the terms and conditions of a promotion.
5. Items specifically created to support a promotion (such as **active** promotional kits that contain 100% Fluke products) can be returned through the stock rotation process, within 12 months, and price protection is not applicable to temporary discount promotions
6. Distributor should pass the benefit of the promotional offer to their customers. Distributor is free to provide additional discounts or incentives to its customers.

Fluke will communicate these promotions in a variety of Media:

- Counter leaflets, Fluke Specials, that will be send to you by post
- Newsletter article
- Fluke Website: Homepage banner, dedicated webpage
- Inserts in relevant magazines
- Press release

How does it work?

- Kits need to be ordered like any other Fluke product. (standard product ordering; SKU's known)

What can you do to benefit from this promotion?

- Keep permanent stock of these kits.
- Position Fluke counter leaflets on highly visible and reachable place
- Inform telesales and field sales on this offer and proactively communicate it.
- Feature in own promotional leaflets
- Insert counter leaflet in "counter pad" if available
- Highlight in online shop
- Feature on email newsletters to customers
- Pro-actively use this offer in the communication with your customer

Promotion:

- The promotional kits are orderable from **February 1, 2020**
- The promotional kits can be booked till **June 30, 2020**
- Fluke reserves the right to change the program rules at any time, without prior notice.
- The promotional kits are subject to availability

1. Fluke 175 with FREE C25

Promo applicable for **ALL (UK, IE, BE, FI, DK, SV, NO, NL, FR, IT, PT, ES, DE, AT, CH, CZ, PL, RO, CEE)**

Buy a Fluke 175 digital multimeter and get a FREE C25 soft carrying case

	<p>Setting the multimeter standard For professional technicians worldwide there is one preferred solution: the precision, reliability and ease of use they find in Fluke 170 Series True RMS digital multimeters. This is the industry standard, with all the features you need to troubleshoot and repair so many problems in electrical and electronic systems.</p> <p>Fluke C25 large soft case for DMMs Protect your meter and conveniently carry it from one job to the next with this handy carrying case.</p>

2. Fluke 87V IMSK

Promo applicable for **ALL** (UK, IE, BE, FI, DK, SV, NO, NL, FR, IT, PT, ES, DE, AT, CH, CZ, PL, RO, CEE)

Buy a Fluke 87V/IMSK Industrial Multimeter Service Kit and save 20%

The **Fluke 87V Industrial Multimeter** provides the resolution and accuracy to efficiently troubleshoot motor drives, plant automation, power distribution, and electromechanical equipment even in loud, high-energy, and high-altitude locations.

The **i400 AC Current Clamp** turns the 87V into a clamp meter. The current clamp provides accurate current measurements up to 400 A ac without breaking electric circuits, helping you take measurements safely with industry standard safety ratings.

The **80BK-A DMM Temperature Probe** plugs into the 87V's voltage jacks and allows temperature measurements from -40 °C to 260 °C. **TL75 Test Leads and AC175 Alligator Clips** complete this versatile kit.
