## RS PRO 400 ml Aerosol Precision Cleaner & Degreaser for PCBs

RS Stock No.: 497-000

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

RS PRO aqueous based electronic cleaning agent is a water based solvent cleaner which includes a biodegradable solvent which is supplied in an aerosol making it very easy to use. This precision cleaner offers excellent flux removal properties and ensures fast and effective cleaning of printed circuit boards, electronic assemblies and print screens. The unique foaming action dissolves and lifts dirt/ flux from the surface.
