PQ100 - DRILL - EXTENSIONS ADAPTORS - Quickbits

P&N Quickbit Adaptors and extension bars fit all 1/4" bits. Extension bars are intermateable providing extra long reach. The P&N Quickbit range has been specifically developed to provide quick change-over of standard 1/4" hex shank power bits. This comprehensive range of power drill bits and accessories is for trade and home handyman use and allows the operator to simply and efficiently use one power tool for all operations. Central to the range is the Quickbit Adaptor, which aids in the simple change over and instant locking of any 1/4" hex shank bit without the use of a chuck key. Changing from a drill to a screwdriver bit is no longer a laborious task. There's no more need for repetitious chuck loosening and tightening or using two drills.

Features:

- 1/4" hex shank suits quick change adaptors
- Recessed quick change spring-loaded sleeve prevents accidental release
- Tapered head design guides the extension through the hole
- Slim head diameter passes through 11/16" hole
- Made from Carbon Steel
