RS PRO Safety Padlock - 48 mm

RS Stock No: 180-6841

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

RS PRO safety padlocks are specialised padlocks designed for use in industrial settings and workplaces to enhance safety measures, particularly in lockout/tagout (LOTO) procedures. RS PRO safety padlocks are available in bright and highly visible colours, making it easy for workers to identify lockout devices from a distance, promoting clear communication about the status of equipment.
