0501 : Core Drill Accessories

Description

For V 150+ / V 250 / V 350 core drills and support stands.

Check the version of your frame to choose the appropriate accessories.

A complete range of accessories for different core drilling situations:
. Wet core drilling with vacuum, water retriever and water pump (manual or electric),
. Dry core drilling with vacuum,

. Raised hand core drilling with centring bit (from Ø 51 mm),
. Core drilling with vacuum pump.
Adaptors and extensions for core bits. Adaptors for Hilti® core drills.
Wheels to move the support stand.
Sharpening stone to optimise bits' cutting performance and increase their lifetime.

*Delivered as standard
