WYPALL* X50 Cloth Wipers Product Technical Bulletin

PRODUCT NAMES & CODES:

WYPALL* X50 Reinforced Wipers White: 4188, 4197, 4198, 4201, 4202, 4204, 4208
Blue: 4193, 4194; 4199, 4209

PRODUCT DESCRIPTION:

WYPALL* X50 wipers have a reinforced scrim netting that offers superior wet strength. Unlike some paper wipers, WYPALL* X50 wipers won't fall apart when wet. WYPALL* X50 wipers are available in white and blue colours. Blue has become the universal colour for disposable items in food preparation areas as the blue wiper is easily visible and identifiable.

TECHNICAL FEATURES:

Key applications include (but are not limited to):

- Personal wiping
- Wiping surfaces
- Absorbing general spills
- Polishing glass or stainless steel
- Absorbing fine oil or grease
- General cleaning

Workplaces®

FIRST AID:

- Swallowed: Remove any material causing obstruction.
Eye: Remove any foreign matter and flush with water. Seek medical attention if irritation persists.
Skin: Non irritant. Product is intended to be used in direct contact with skin.
Inhalation: Remove any material causing obstruction.

PRECAUTIONS FOR USE:

Will burn if subject to excessive heat or flame. Do not use wiping cloths to clean or remove any material over 100°C. Burn properties change if flammable or combustible fluids are absorbed into the wiper.

SAFE HANDLING INFORMATION:

Store away from any source of ignition. Store away from oxidising agents eg, pool chlorine. Fire fighters should wear personal protection and self-contained breathing apparatus. Use fire fighting media suitable for principal cause of fire. Do not allow product to enter drains or waterways.

DISPOSAL INFORMATION:

Disposal of uncontaminated wiper to ordinary landfill or properly managed municipal incineration is suitable. Dispose contaminated wipers in accordance with local regulations.
