RS Stock No.: 456-517

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Our own brand RS Pro matte black, plastic handles provide an attractive and professional look. Our drawer handles are pieces of door hardware that are commonly attached to the outside of a drawer, cabinet or cupboard - this is to allow a user to easily open or pull and close the door or drawer to access the contents inside.
