

Technical drawing of a PCB layout for a 24-pin connector. The drawing shows a rectangular board with a dashed rectangle indicating the connector area. Dimensions are provided in millimeters: overall width 78,74, overall height 2,54, and a central section width of 2,54 x 24 = 60,96. A 24-pin connector is shown with pins numbered 1 to 24. A 1st contact is indicated on the right side, and a 2nd contact is indicated on the left side. A note "All holes" is present, and a dimension of 1,52 is shown for the central section. A note "Min. ø 2,8" is shown for the central section.
