RS PRO Bench Vice 152.39mm x 100mm, 23.6kg

RS Stock No.: 554-419

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this high-quality bench vice is ideal for general purpose applications, and is mounted on swivel platform for 360° adjustment. Constructed from high-grade cast iron, this vise is designed to be bolted to a bench for the secure clamping and holding of workpieces and materials. The fixed base and strong gripping jaws allow for complete confidence in professional applications.
