

FEATURES

- **Durable Material**
Composition: Constructed from natural rubber and styrene butadiene rubber for enhanced durability and flexibility.
- **Impact Resistance:**
Provides superior protection against collisions and abrasions, safeguarding vessels and docks.
- **Standard Compliance:**
Meets ANSI-ESD S20.20:2021 and REACH standards, ensuring safety and environmental compliance.
- **Versatile Length:** 3000 mm length allows for extensive coverage and adaptability to various applications.
- **Compact Design:** With a height of 30.63 mm and width of 75 mm, it fits seamlessly into different docking setups.

RS PRO D Fender, 3000 mm Length, Black

RS Stock No: 688-171

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO D Fender is designed to provide robust protection for marine vessels and docking facilities. Made from durable natural rubber and styrene butadiene rubber, it offers excellent resilience and impact resistance, ensuring long-lasting performance in harsh marine environments.

General Specifications

Colour	Black
Product Type	D Fender
Protection Shape	D Fender

Mechanical Specifications

Height	30.63 mm
Length	3000 mm
Material	Natural Rubber, Styrene Butadiene Rubber
Width	75 mm

Approvals

Standards/Approvals	ANSI-ESD S20.20:2021, REACH
