

## Features

- Anti-Static Wet/Dry Screen Wipes
- cleaning system for daily use

## RS PRO Screen Cleaning Wipes, White, 20 wipes per pack

RS Stock No.: 0765418

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

These wipes provide a convenient screen cleaning system for daily use on all types of screens including TFT-LCD flat screens and polarising filters. It is also safe to use on mirrors, coated glass, lenses, overhead projectors (OHP), micro-film & microfiche readers. Sachet 1, wet wipe is used first to clean the screen followed by sachet 2, drying cloth to dry and remove smears.
