

## FEATURES

- **4:1 Shrink Ratio:** Allows for a wide range of applications by accommodating different sizes of cables and connectors.
- **Halogen-Free:** Reduces toxic emissions in case of fire, ensuring safety in sensitive environments.
- **Polyolefin Material:** Offers excellent resistance to chemicals and abrasion, enhancing durability.
- **Black Colour:** Provides a professional and discreet finish for electrical installations.
- **1 mm Shrunk Diameter:** Ensures a snug fit around wires and connectors for optimal insulation.

## RS PRO 4:1 Black Heat Shrink Tubing, Polyolefin

RS Stock No: 671-564

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This RS PRO heat shrink tubing is designed to provide reliable insulation and protection for electrical connections. With a 4:1 shrink ratio, it is ideal for bundling wires and providing strain relief in various industrial applications. The tubing is halogen-free, making it suitable for environments where low toxicity is required.

## General Specifications

Colour	Black
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	4:1

## Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	1 mm
Sleeve Diameter	4 mm
Sleeve Length	1 m

## Approvals

Standards/Approvals	REACH, RoHS
