Economical in use,
the Boxer® wipe
provides a handy
solution for all light
cleaning tasks.

Reach for a Boxer® wipe.

Whether wiping up spilled liquids or removing dirt from your stainless steel counter, Boxer® provides an economical solution for all cleaning tasks. Ideal for all light janitorial tasks, Boxer® can be used in combination with water, detergents, or solvents without facing deterioration in performance. Boxer® wipes are available as folded wipes, on an industrial roll and in center-feed format.

- Strong and durable – Resists tearing and enables multiple uses
- Highly absorbent – Removes all types of fluid quickly and efficiently
- Ideal for wet use – Wipes remain intact and never fall apart like paper substitutes
- Hygiene – Helps to maintain good hygiene

Boxer®, your first choice in any cleaning situation.

Main Uses:

- Food Processing Industry
- Industrial Kitchens
- Hotels
- Restaurants
- Fast Food
- Janitorial Applications
- Health Care
- Laboratories
