

## Notice : **BOLÉRO 42 22 50 50**

ISO 11611 :Classe 2  
A1+A2

ISO :11611

### MECHANICAL PERFORMANCE :

- ISO 13688: 2013/ A1: 2021
- ISO 11611: 2015 Classe 2 A1+A2
- In compliance with EU Regulation 2016/425, Declaration available at: [guyard-sa.com](http://guyard-sa.com)

#### **Description:**

Bolero made from natural bovine leather (first-grade grain), chrome tanned.

Officer collar made from natural sheepskin, vegetable-tanned.

Elastic wrist cuffs for secure fit.

Invisible front closure with three snap buttons.

Sewn with flame-retardant para-aramid thread.

Back height: approximately 36 cm.

Removable apron made of first-grade bovine leather, fastened at the back with a metal buckle.

The apron is attached to the bolero with six snap buttons

#### **Recommendations:**

Recommended Use: Welding, grinding, sandblasting, following the indicated class.

Protection Provided: Limited flame spread, small splashes of molten metal, radiant heat, and brief accidental electrical contact.

Coverage: Arms, torso, and front legs.

Shelf Life: 5 years from the date of manufacture.

#### **Protection Limits:**

Type of Protective Clothing: Used during welding and related techniques, class 2.

Not Suitable For: Handling chemicals or liquids.

Additional Requirements: This clothing is not suitable for welding activities requiring protection for the lower back. For comprehensive protection against welding risks, additional PPE covered by other standards should be worn to protect the head, face, hands, and feet.

#### **Packaging, Maintenance & Storage:**

Packaging: The garment is packaged individually. No special maintenance is recommended. It is advised to store the products in a place protected from light, dry, and ventilated.

Before Use: Visually inspect the garment to ensure it does not have defects, holes, tears, or wear. If the user experiences symptoms similar to a sunburn, it indicates UVB radiation exposure. The garment should be repaired or replaced, and additional, more resistant protective layers should be considered.

#### **Recycling:**

Disposal: Safe disposal by mechanical destruction or incineration.

#### **Marking:**

CE Marking: The CE marking on this bolero indicates compliance with the essential health and safety requirements of the European Regulation 2016/425 related to personal protective equipment (PPE).

#### **Safety:**

Innocuity: We declare that the product does not contain substances at levels known or suspected to have harmful effects on hygiene or the health of the user under foreseeable conditions of use. Its design does not cause any irritation or discomfort to the wearer.
