

# **KRYTECH 578**

Low risk - ISO B

#### Dark colour cut protective glove ideal for use in dirty work environments

## SPECIFIC ADVANTAGES

#### Comfort

- A seamless glove fitted with wrapping and platting yarn technologies that maximise comfort and dexterity
- The polyurethane coating provides optimal breathability

• Contains traces of DMF in compliance with occupational exposure limits

## **Guaranteed quality**

• Silicone free to prevent traces, defects on metal sheet and glass prior to painting

• Washable 3 times at 40°, to extend lifespan, reduce costs and waste

### Additional benefits

- Dark colour limits glove staining in dirty environment and supports a longer lasting use
- Optimised individual packaging format so as to limit plastic waste

## **Practical**

• Cut level easy to identify thanks to the marking on the back of the glove.

### Care for the environment

Optimised individual packaging to limit plastic waste

#### EN ISO 21420: **INDUSTRIES**

ISO 13997:
