- Steel clevis fasteners
- Spring clip
- M6 x 1 rod connection thread
- Ball diameter of 6mm
- Overall length of 43mm
- Overall width of 12mm
- Zinc finish for corrosion-resistant finish

## RS PRO Steel M6 x 1 Clevis, 43mm x 12mm

RS Stock No.: 312-0179

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

These clevis fasteners from the RS PRO series are well-suited to situations where heavy loads need to be supported with a sturdier connection. As they're more secure than standard retaining pins, they're a go-to option for farming equipment and sailboat rigging. They're also commonly used in the automotive and aviation industries because of their reliability and durability.

## General Specifications
