Features

- Universal circuit breaker lockout device.
- Compatible with most MCBs and main switches.
- Suitable for domestic and industrial panels.
- Extended toggle clearance for long and standard toggles.
- Accommodates thicker main switches.
- Multi-functional and versatile design.
- Prevents accidental or unauthorised breaker operation.

RS PRO Universal Multi-Functional Circuit Breaker Lockout

RS Stock No.: 0802210

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- ***Universal Fit Design*** *- Engineered to fit most MCBs (Miniature Circuit Breakers) and main switches, making it suitable for a wide range of electrical panels.*
- ***Suitable for Domestic & Industrial Applications*** *- Designed for use in residential distribution boards as well as heavy-duty industrial switchgear systems.*
- ***Extended Toggle Clearance*** *- Extra length on the toggle side allows compatibility with both standard and extra-long breaker toggles, increasing versatility.*
- ***Accommodates Thicker Main Switches*** *- Opposite-side clearance enables secure fitment on thicker and larger main switches, enhancing multi-functional usability.*
- ***Secure Isolation Control*** *- Prevents unauthorised switching or accidental energisation during maintenance and servicing work.*
- ***Compact & Practical Design*** *- Space-efficient construction ensures easy installation inside crowded distribution panels.*

General Specifications

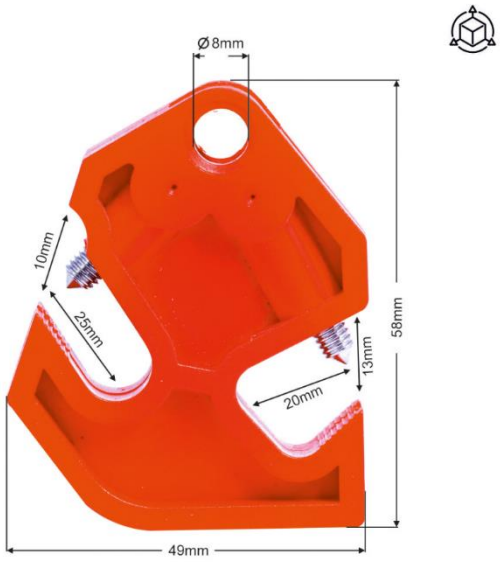

Type	Circuit Breaker Lockout
Material	ABS
Colour	Red
Padlock holes	01
Package	PE-LD

Mechanical Specifications

Length	49mm
Height	58mm
Accepted Padlock Diameter	8mm
Weight	18 Grams

Operation Environment Specifications

Withstand temperature	-20°C to 70°C

Ø 8mm
10mm
25mm
13mm
20mm
58mm
49mm
